GELSER BROTHERS

DALTON, NEW YORK

PRICES AND TERMS

Gladiolus prices are good for this spring only and good only as long as our present stocks last.

TERMS: Full remittance should accompany all orders. However, we will ship C.O.D. on request, when 25 per cent of the amount of the order is paid in advance.

SIZE OF GLADIOLUS BULBS

Large bulbs are $1\frac{1}{4}$ to 2 inches or more in diameter (No. 1 & No. 2) the best blooming size. Large bulbs are designated by the letter "L."

Medium bulbs are $\frac{3}{4}$ to $1\frac{1}{4}$ inches in diameter (No. 3 & No. 4). This size will give good bloom, but a little later than the large size. Medium bulbs are designated by the letter "M."

Small bulbs are $\frac{3}{8}$ to $\frac{3}{4}$ inches in diameter. This size is designated by the letter "S."

When there is a figure before the price of a variety as 2-15c or 3-15c, it means 2 bulbs for 15c, or 3 bulbs for 15c, etc.

DELIVERY CHARGES

We pay the delivery charges on bulbs selected from our retail list. Bulbs priced by the 100 are not prepaid.

ORDER EARLY

Please place your order early in order to avoid disappointment, as many varieties will be sold out early.

There is a shortage of bulbs this season, due to decreased planting by nearly all growers and with the increased demand for bulbs, it looks now as though there will not be sufficient bulbs for all.

SECOND CHOICE PLEASE

Due to the heavy demand for bulbs this year, it is to your advantage and also to ours, if you would give a second choice, either in size or another variety.
